8TH International Sofia Dental Meeting 2015
1ST - 4TH October
Ramada Hotel Sofia, Bulgaria
Sofia Dental Meeting (SDM) is the biggest dental event in South-Eastern Europe, held annually in Sofia.

Last year SDM had more than 1500 attendees from 25 countries - general practitioners, specialists, dental technicians and students, and offered them a rich four-day program featuring 80 lectures, 30 hands-on courses and 11 live clinical demonstrations in all fields of dentistry.

Simultaneously with the scientific program, a dental exhibition of over 50 leading dental companies took place.
The 8th International Sofia Dental Meeting will be held from 1st to 4th of October 2015 at the Ramada Hotel in Sofia.

The scientific program will be covering 4 full days of activities (lectures, hands-on courses and live clinical demonstrations) running simultaneously in 3 lecture halls and 7 workshops rooms.

More detailed information about the meeting is available on: www.sdm.bg.
